GOOD DAY

ACCOUNTING INFO

after deadstarting system
when about to do a
'LOAD', say 'SAVEDF'
first. This SHAZAMS
the dayfile & its backup

① make output &
tape files from
backup dayfile;
~~destroy backup?~~
leave backup empty

obtain printed
dayfile; give
to VV.

make tape with accounting cards:
Tape must be punched on 14
machine; give cards to VV.
